Schools of the Future — Now!

LexLeads—Student Leadership Opportunities

Rocky Creek Elementary focuses on developing leadership skills in students. The school provides several opportunities for students to practice and demonstrate leadership skills including participation in Clap Around, Creek Courier program, Creek Market Workers, Creekside News Team, Green Team and WRCE 89.6 Team.

LexLearns—Ownership of Learning

Personalized learning allows students to take ownership of their learning. They chose how they will practice and demonstrate standards as they work on a variety of interests, levels and topics. Some of the activities that allow students to personalize their learning include Computer Lab, Creek Compadres Spanish enrichment, Individual Learning Time, Rise and Shine activities, STEM Lab and the Lego Robotics Team.

LexLives—Staff and Student Wellness

Students learn the importance of making healthy choices through wellness programs such as Boys Run Hard, Girls on the Run and Ranger ‘Robics. Teachers and staff also participate in these activities along with a variety of health screenings throughout the school year.
