Hi, Gator Families!

In honor of our 10th anniversary of teaching and learning at Meadow Glen Middle School, we are celebrating "Ten at the Glen" on the 10th day of each month.

This month, we will be celebrating "Ten at the Glen" by hosting a food drive for Harvest Hope, South Carolina's largest food bank. We are challenging our students to change the narrative of recent social media posts by being proactive and positive.

Our goal is for our students to challenge themselves to help our community through acts of kindness and service. To accomplish this, we are issuing a challenge to all students and their families to collect and bring in at least 10 canned goods or nonperishable items by the end of October.

Students can begin bringing in items as early as tomorrow, and we will continue to collect items until October 31. If we collect at least 2021 total items, we will celebrate with a pizza party! We hope that you will consider donating to Harvest Hope.

Thank you for helping us continue this tradition of service to our community.

Harvest Hope accepts the following items:

- Non-perishable foods such as rice, pasta, beans, canned fruits, canned vegetable, canned meats, canned beans, canned meals (like Chef Boyardee or beef stew, macaroni and cheese, peanut butter, jelly (no glass, please), cereal, Ramen noodles, snacks and more
- Baby supplies (diapers, wipes, formula, foods-no jars)

Thanks for your support,
