Jessica Burke, *Director of Counseling*

July 6, 2021

Dear Pelion High School Families,

This is Bryan Hearn, principal of Pelion High School. I hope you all are enjoying your summer so far and had a great 4th of July weekend. It is hard to believe that school starts six weeks from today (Tues Aug 17, 2021). Families of rising Pelion High School freshmen, WELCOME! We are thrilled to have your students join us next month. For the Pelion HS veterans, we are certainly looking forward to a more 'normal' school year with continued high expectations for academics, but also a renewed sense of community with athletics, fine arts, and other extracurricular activities at full strength.

Below this is a message from Lexington One regarding online registration that will begin in a couple short weeks. Please review this information and be looking for another email soon.

Sincerely,

W. Bryan Hearn

Lexington County School District One will again offer parents an opportunity to register their students, complete paperwork and pay fees online through our online registration system for the 2021–2022 school year. This process begins later in July.

To complete the online registration process, you will need:

- *Current email address*
- *Completed South Carolina Certificate of Immunization*
- *Current utility bill/statement, lease/mortgage statement or property tax statement showing parent's name and home address within the district for proof of residency*
- *Parent's South Carolina driver's license or other state or federal photo identification*
- *Student's COVID-19 vaccination card (OPTIONAL)*
 - *In the event of COVID-19 exposure, a vaccinated student with a valid vaccination card may not have to quarantine.*

You will receive another email later in July closer to open enrollment later this month. We look forward to another great school year!
